PRESIDENT'S WELCOME ADDRESS

**by Raja Shri Tribikram Chandra Deb of Baramba,
President, General Council**

Hon'ble His Highness Maharaja Jammu and Kashmir, Padma Vibhushan Dr. Karan Singh, Member of Parliament, Raja Ranvijay Singh Ju Deo of Jashpur, Vice President General Council, Maharaja T.S. Singhdeo of Sarguja, Chairman, Managing Committee, Members of the Governing Body, Parents, Former Students, Members of the Press, Officiating Principal, Staff, Students, Ladies and Gentlemen.

As President of General Council, I warmly welcome you all on the occasion of the 121st Annual Prize Giving Function of the Rajkumar College, Raipur, Chhattisgarh.

It is our proud privilege to have Padma Vibhushan Dr. Karan Singhji, amidst us as the Chief Guest on this grand occasion of RKC fraternity. On behalf of the Management, I extend a warm welcome to him on this glorious day. We are indeed extremely grateful to him for sparing his precious time, to be amongst us for this Annual Prize Giving Function.

Dr. Karan Singhji needs no introduction as he is an International personality in his own right. Yet, I would like to share some aspects about our Hon'ble Chief Guest. Born heir apparent to Maharaja Hari Singhji and Maharani Tara Devi of the Princely State of Jammu and Kashmir, Dr. Karan Singh was initiated into a life of politics at a fairly early age of eighteen when, in 1949, he was proclaimed the Regent by his revered father on the advice of Prime Minister Pandit Jawaharlal Nehru and subsequently served Jammu and Kashmir for the next eighteen years in various capacities such as Regent, elected Sadar-i-Riyasat and lastly as its Governor.

In 1967, he was the youngest Union Cabinet Minister in the Government of India. Apart from holding other responsibilities, he served as India's Ambassador to the USA. The list of his achievements is endless. He is a renowned author, academician, statesman and an authority in Hindu religion. I could speak for hours together and still be unable to do justice to the status of Dr. Karan Singhji.

I now call upon the Officiating Principal to readout the Annual School Report.

School Report presented by Lt. Col. Avinash Singh (Retd.)

Officiating Principal, Rajkumar College, Raipur (C.G.)

Hon'ble Chief Guest Padma Vibhushan Dr Karan Singh, President General Council, Raja T.C. Deb of Baramba, Chairman, Managing Committee, Maharaja T.S. Singhdeo of Surguja, Chairman, M.C, honourable members, guests, parents, staff and my dear students.

It is a great honour to welcome you in the 121st Annual Prize Giving function.

It is our proud privilege to have Padma Vibhushan Maharaja Dr Karan Singh, Member of Parliament (Rajya Sabha) as the Chief Guest on this grand occasion of 121st Annual Prize Giving Ceremony.

I shall now present before you the annual report for Rajkumar College.

As a premier public school and founder member of IPSC, our school has progressed from strength to strength in various fields. Unlike the assembly line culture schools of these days, our institution strives towards overall and holistic development of the students. Holistic development is possible when a student is imparted training in academics as well as extra-curricular activities. Therefore, we give weightage to both. Let me first give an account of our academic results and then move on to sports and extra-curricular activities.

ACADEMICS

Sejal Rekhani and Ku. Suhani Brahme topped the Science Stream and Pratham Parekh topped the Commerce Stream. Four students viz Ku. Suhani Brahme, Ku Avishi Agarwal, Master Suyash Singh and Ku. Sejal also equalled the school record in Science stream by scoring 97%. In physical education four students viz Ku. Priyal Rathore, Ku Aditi Singh, Abhay Gupta and Vaibhav Bhansali equalled the school record by securing 100%.

My kudos to all the students and the faculty members for such an excellent result.

Teachers Training : Training is a must to update the knowledge and expertise. So, we continually update our teachers' professional knowledge by sending them to various workshops and training sessions. We organized two English Language Teaching and phonetics work shops in the school, to train teachers. Mr Ramesh Chandra Khankeriyal and Sanjay Kumar Mishra attended a workshop on how to use the Whole Brain at Acumen Solutions.

Students Academics : We have initiated the system of organized preparatory classes by the subject teachers all six days in a week. These classes are in addition to the supervised evening study periods of the boarders. In addition we have started a system of 'Mentor' teachers for boarders. They are tasked to monitor the boarder's progress in various subjects and interact with the subject teachers to provide extra help in weaker subjects. Separate extra classes for Maths and Science are also being held for middle level classes 6,7 and 8th .

The Senior Section Art Department has worked on the walls adjacent to Jashpur Hall. We also held a spot competition to paint/sketch the majestic panorama of our lake. Our Art and Craft exhibition would be showcasing all this.

This year the batch of ISC of 1981 had their Reunion in the month of January this year. 25 old RKCians relived their school days. Shortly after this PG function two more reunions are scheduled in which ISC 1986 and ISC 1987 batches would be revisiting their alma mater.

DEVELOPMENT AND IMPROVEMENT OF INFRASTRUCTURE

Over the last few years there has been a constant emphasis to add facilities for the students as also look after our heritage property. Towards this we have constructed a new hostel 'Rajkumar College Boarding House,' which would be inaugurated by the Hon'ble Chief Guest immediately after this function. The elevation and façade of this hostel is modeled on our main building. The hostel is also equipped with a multi purpose enclosed playing field and other sports facilities. We can now boast of state of the art bathrooms and toilets in all our boarding houses and academic blocks. We have commissioned the construction of the 'New Wing' of our Middle Section comprising of an assembly hall and six state of the art class rooms.

We have also added an international standard swimming pool named after Kumar Hemendra Chandra Singh of Nayagarh who contributed generously towards it. A new billiard table has been installed which

has been donated by Dr S.N Mishra our affiliated physician in the memory of his son Vaibhav Mishra. One new squash court is being commissioned which will provide us with a total of three squash courts. We are also in the process of commissioning a new grass lawn tennis court adjacent to the junior section which will also double up as the enclosed play field of the tinytots.

For our senior teaching staff we are in the process of constructing 16 new quarters. For the sub staff, bathrooms and toilets are being constructed to cater for each quarter.

An automated industrial laundry facility has been installed and new quarters for the washerman have been constructed adjacent to it.

The West Gate has been renovated to look like North and East Gates. The perimeter boundary wall has been strengthened and raised to ensure safety.

We are in the process of large scale ecological improvement of the Campus. Towards this we have planted 800 sal tree saplings. Moreover

the college lake has been excavated and beautified leading to major water harvesting of the rain water.

Before concluding my report, I would like to once again thank Dr Karan Singh, our Chief Guest for sparing his time and gracing this function with his benign presence in our P.G. Function.

I would sincerely place my deepest regards and gratitude for the honourable members of Governing Body who have provided us with all the moral and financial support. The President, General Council and Chairman, Managing Committee have made themselves available at

short notice for any decision or advice inspite of their busy schedule. Thus, major credit should go to the management for the progress of our institution.

I would also like thank all members of the staff, both teaching and administrative, for their valuable contribution. I am profoundly thankful to the heads of three wings Ms. E.Rodrigues, Senior Section, Ms. Nandini Choudhary, Middle Section and Ms. A.D.Sapre, Junior Section along with their Assts. Ms. Chitwan Singh and Ms. S.F Siddiqui towards the progress of the school. I am grateful to Mr. SNS Deo, our Asst. Bursar for his meticulous work to make this grand function a success. One special mention about the dedication of Mr. Surendran the inventory manager and Mr. B.R. Sahu, the building superintendent who worked tirelessly round the clock. A special mention about the good work being put in by the sub staff would also be in order as without their effort the school would not have progressed.

As the school motto goes, “Swadeshe Puyate Raja, Vidvan Sarvatra Pujyate” let the RKCians be learned enough to be respected wherever they go.

I would now like to request our Hon'ble Chief Guest to enlighten us with his words of wisdom.

Chairman's Vote of Thanks

**by Maharaja Shri T. S. Singh Deo of Surguja
Chairman, Managing Committee**

Hon'ble Padma Vibhushan Dr Karan Singh, Raja Shri Tribikram Chandra Deb of Baramba, President, General Council, Raja Shri Ranvijay Singh Ju Dev of Jashpur, Vice President, General Council, Members of the Governing Body, respected parents, esteemed old students, guests, members of the Press, Offg Principal, faculty members, staff and dear students.

It's a great privilege for me to stand before the august gathering and propose the vote of thanks. I take this opportunity to profoundly thank Padma Vibhushan Maharaja Dr Karan Singh for gracing this function. I would like to mention here that his address to us would go a long way in motivating both us and the students to become better citizens. We are fortunate that a person of such great calibre has spared his time in his extremely busy schedule. Sir, we will always be indebted to you for this thoughtful and magnanimous gesture.

The Officiating Principal has already elaborated on the achievements and developments of our school. But here I would like to reiterate our commitment for the welfare of the students and the staff. We endeavour to provide all facilities that a modern day public school aspires for. The management has already sanctioned indoor and outdoor shooting ranges. Moreover we would shortly commence the construction of the building for graduate level college. We have constantly strived towards eco friendly and green technologies. We would shortly be embarking on solid waste management project as also recycling of waste water projects. Our endeavour is to make Rajkumar College one of the top public schools of the country in the next few years.

I would now request our honourable Chief Guest Dr. Karan Singhji to proceed to kindly inaugurate the Rajkumar College Boarding House as also the Art and crafts exhibition.

May I now request all to kindly rise for the national anthem.

Jai Hind !
