A collage of three images. On the left, two players in blue uniforms with helmets and gloves are shown in profile, one facing left and one facing right. On the right, a player in a white uniform with the number 24 and the name 'GARVIT' on the back is shown from the side, looking up at a red cricket ball. The background is a solid orange color.

This year's IPSC Cricket Tournament saw Shreyash Pratap Singh, Samved Singh Deo, and Garvit Shukla step onto the field with confidence and focus. Match after match, they contributed steadily—whether with the bat, ball, or in the field—helping the team build momentum through the early rounds.

Their efforts carried the team into the quarterfinals, where they put up a strong contest. Though the journey ended there, the experience added valuable insight and game awareness to their growing skill set.
