RHYTHM AND WELLNESS

"Where fitness met fun,
and every move, spread
smiles."

***We arrived as strangers, unsure and
small,
And found a family within these walls.
In every laugh, in every tear,
We discovered friendships warm and
dear.***

***These halls have witnessed dreams
take flight,
Late-night talks and mornings bright.
Though time may lead us far from
home,
These memories will always roam.***

***The journey ends, but not the bond—
For PGBH will live in our hearts, forever
beyond.***
